Agenda Caption: Consider and Act upon approving a resolution authorizing the City Manager to execute an interlocal agreement by and between the City of Frisco and Collin County for cost sharing of the Cottonwood Creek Hike and Bike Trail section A3.

Action Requested: Approve a resolution authorizing the City Manager to execute an Interlocal Agreement (ILA) by and between the City of Frisco and Collin County for the development of Cottonwood Creek Hike and Bike Trail, Section A3.

Background Information: The Interlocal Agreement is for cost participation on the construction of a Hike and Bike Trail, along Cottonwood Creek from North County Road to Frisco Street. Collin County has chosen to participate in the cost of the trail with funding coming from the Collin County Parks and Open Space Bonds.

The ILA is for the County to participate in the amount of \$82,000 for the construction of a 6' wide concrete trail. The remainder of the cost of constructing the trail will come from the City of Frisco. It is anticipated that the total cost of construction will be approximately \$800,000.

The project will take coordination and approval from the railroad as we have proposed to cross under an existing trestle. This will cause the planning and design phase to be extended. If approved, staff will begin working with a design

consultant to bring back a contract for consulting to design and prepare the construction documents in August.

Board Review/Citizen Input: The Parks and Recreation Board is aware of the project.
